C. Bicchi (Italy)
 F. David (Belgium)
 J. Dimandja (USA)
 S. Fanali (Italy)
 Ph. Marriott (Australia)
 P. Myers (UK)

THE PROGRAM

- Review papers by leading scientists in the field covering the latest developments.
- Key note lectures by young scientists.
- Contributed papers presented in poster sessions.
- Discussion sessions to stimulate intense scientific exchange.
- Workshop seminars presenting the latest developments in commercial instrumentation.
- Exhibition.
- 7th GC×GC Symposium
- Course on GC×GC - Sunday, May 30th

SUBMISSION OF PAPERS

- Authors intending to submit papers for the symposium will be required to adhere to the following deadlines:
- A 300 word abstract must be received **no later than February 1, 2010**. For abstract submission see the website.
