2019 China-Japan-Korea Symposium on Analytical Chemistry

11-14, October, 2019
Kyung Hee University (Global Campus)
Yongin, Korea

www.2019cjk.weebly.com

Dear Colleagues,

On behalf of the Scientific Committee and the Local Organizing Committee, we warmly invite you to 2019 China-Japan-Korea Symposium (2019 CJK) on Analytical Chemistry in Korea. This symposium provides an unique opportunity to participate in an outstanding scientific program held in Yongin, a major South Korea city, becoming a must-visit place fo tourists both foreign and domestic. CJK symposium has been held at various locations in China, Japan, and Korea to share the research progress and our friendship since 2002. In the fall of 2019, we are looking forward to welcoming you all to beautiful Kyung Hee University (Global Campus).

Best wishes,

Seong Ho Kang
Sunyoung Bae

Scope of the symposium

The symposium will be held at the Kyung Hee University (Global Campus) in Korea. The University has the most beautiful view and its perfect visiting spot in Yongin.

The 2019 CJK will cover a broad range of topics in analytical chemistry for active discussion, ideas and experiences to be exchanged leading to international collaboration and friendship.

Submission of Abstracts

We invite contributions in form of oral presentations or posters in all the topics in Analytical Chemistry. Abstracts shall be one page with less than 250 words, with a title, authors' name, address, affiliation, and contact details (e-mail, telephone, fax).

The abstract template can be downloaded from the symposium website. (www.2019cjk.weebly.com)
