

# China-Japan-Korea Symposium on Environmental Analytical Chemistry

November 2-5, 2008

Xiamen University, Xiamen, China

<http://www.cjk2008.org>

## Organized by

Key Laboratory of Analytical Sciences of the Ministry of Education

State Key Laboratory of Marine Environmental Science

Xiamen University

The Discussion Group for Gas Chromatography,

The Japan Society for Analytical Chemistry

## Sponsored by

National Natural Science  
Foundation of China

The Japan Society for  
Analytical Chemistry

Key Laboratory of Analytical  
Sciences of the Ministry of Education

State Key Laboratory of  
Marine Environmental Science

Shimadzu

The New Energy and Industrial  
Technology Development Organization
